

**UNIT - I****➤ Chapter 1 : Introduction to Red Hat Enterprise Linux                    1-1 to 1-35**

|       |   |      |
|-------|---|------|
| 1.1   | Introduction to RHEL .....  | 1-1  |
| ✓     | <b>Syllabus Topic :</b> Linux, Open Source and Red-Hat, Origin of Linux .....                           | 1-1  |
| 1.1.1 | Origin and History of Linux .....   | 1-1  |
| ✓     | <b>Syllabus Topic :</b> Distributions .....   | 1-3  |
| 1.1.2 | Distributions.....  | 1-3  |
| ✓     | <b>Syllabus Topic :</b> Duties of Linux System Administrator .....                                      | 1-6  |
| 1.1.3 | Duties of Linux System Administrator .....  | 1-6  |
| 1.2   | Command Lines .....   | 1-8  |
| ✓     | <b>Syllabus Topic :</b> Working with the Bash Shell .....   | 1-8  |
| 1.2.1 | Working with the Bash Shell .....   | 1-8  |
| ✓     | <b>Syllabus Topic :</b> Getting the Best of Bash.....   | 1-9  |
| 1.2.2 | Getting the Best of Bash .....  | 1-9  |
| ✓     | <b>Syllabus Topic :</b> Useful Bash Key Sequences.....  | 1-9  |
| 1.2.3 | Useful Bash Key Sequences .....   | 1-9  |
| ✓     | <b>Syllabus Topic :</b> Working with Bash History.....  | 1-10 |
| 1.2.4 | Working with Bash History .....   | 1-10 |
| ✓     | <b>Syllabus Topic :</b> Performing Basic File System Management Tasks,<br>Working with Directories..... | 1-10 |
| 1.2.5 | Performing Basic File System Management Tasks .....   | 1-10 |
| ✓     | <b>Syllabus Topic :</b> Finding Files.....  | 1-11 |
| 1.2.6 | Finding Files .....   | 1-11 |
| ✓     | <b>Syllabus Topic :</b> Piping and Redirection .....  | 1-14 |
| 1.2.7 | Piping and Redirection.....   | 1-14 |
| 1.2.8 | Working with an Editor .....  | 1-14 |
| 1.3   | System Administration Task.....   | 1-16 |
| ✓     | <b>Syllabus Topic :</b> Performing Job Management Tasks.....  | 1-16 |
| 1.3.1 | Performing Job Management Tasks.....  | 1-16 |
| ✓     | <b>Syllabus Topic :</b> System and Process Monitoring and Management .....                              | 1-17 |
| 1.3.2 | System and Process Monitoring and Management.....   | 1-17 |
| ✓     | <b>Syllabus Topic :</b> Managing Processes with ps .....  | 1-18 |
| 1.3.3 | Managing Processes with ps (Process Status) .....   | 1-18 |

|        |  |      |
|--------|--|------|
| ✓      | <b>Syllabus Topic :</b> Sending Signals to Processes with the Kill Command ..... | 1-20 |
| 1.3.4  | Sending Signals to Processes with the kill Command.....                          | 1-20 |
| ✓      | <b>Syllabus Topic :</b> Using top to Show Current System Activity.....           | 1-20 |
| 1.3.5  | Using top to Show Current System Activity .....                                  | 1-20 |
| ✓      | <b>Syllabus Topic :</b> Managing Process Niceness.....                           | 1-21 |
| 1.3.6  | Managing Process Niceness.....   | 1-21 |
| ✓      | <b>Syllabus Topic :</b> Scheduling Jobs.....                                     | 1-21 |
| 1.3.7  | Scheduling Jobs .....  | 1-21 |
| ✓      | <b>Syllabus Topic :</b> Mounting Devices .....                                   | 1-22 |
| 1.3.8  | Mounting Devices.....  | 1-22 |
| ✓      | <b>Syllabus Topic :</b> Working with Links.....                                  | 1-24 |
| 1.3.9  | Working with Links .....   | 1-24 |
| ✓      | <b>Syllabus Topic :</b> Creating Backups .....                                   | 1-24 |
| 1.3.10 | Creating Backups .....   | 1-24 |
| ✓      | <b>Syllabus Topic :</b> Managing Printers .....                                  | 1-26 |
| 1.3.11 | Managing Printers.....   | 1-26 |
| ✓      | <b>Syllabus Topic :</b> Setting Up System Logging .....                          | 1-26 |
| 1.3.12 | Setting Up System Logging .....  | 1-26 |
| 1.4    | Managing Software Understanding .....  | 1-28 |
| ✓      | <b>Syllabus Topic :</b> Understanding RPM.....                                   | 1-28 |
| 1.4.1  | Understanding RPM.....   | 1-28 |
| ✓      | <b>Syllabus Topic :</b> Understanding Meta Package Handlers .....                | 1-29 |
| 1.4.2  | Understanding Meta Package Handlers .....  | 1-29 |
| ✓      | <b>Syllabus Topic :</b> Creating Your Own Repositories .....                     | 1-29 |
| 1.4.3  | Creating Your Own Repositories.....  | 1-29 |
| ✓      | <b>Syllabus Topic :</b> Managing Repositories.....                               | 1-30 |
| 1.4.4  | Managing Repositories .....  | 1-30 |
| ✓      | <b>Syllabus Topic :</b> Installing Software with Yum .....                       | 1-31 |
| 1.4.5  | Installing Software with Yum.....  | 1-31 |
| ✓      | <b>Syllabus Topic :</b> Querying Software .....                                  | 1-33 |
| 1.4.6  | Querying Software .....  | 1-33 |
| ✓      | <b>Syllabus Topic :</b> Extracting Files from RPM Packages .....                 | 1-34 |
| 1.4.7  | Extracting Files from RPM Packages .....   | 1-34 |

**UNIT - II**

|  |                    |
|--|--------------------|
| <b>➤ Chapter 2 : Configuring and Managing Storage</b>                                  | <b>2-1 to 2-51</b> |
| 2.1 Configuring and Managing Storage.....  | 2-1                |
| ✓ <b>Syllabus Topic :</b> Understanding Partitions and Logical Volumes.....            | 2-1                |
| 2.1.1 Understanding Partitions and Logical Volumes .....                               | 2-1                |
| 2.1.2 Creating Partitions .....  | 2-2                |
| ✓ <b>Syllabus Topic :</b> Creating File Systems, File System Overview.....             | 2-3                |
| 2.2 Creating File Systems .....  | 2-3                |
| 2.2.1 File Systems Overview .....  | 2-3                |
| ✓ <b>Syllabus Topic :</b> Creating File Systems.....                                   | 2-5                |
| 2.3 Creating File Systems .....  | 2-5                |
| ✓ <b>Syllabus Topic :</b> Changing File System Properties .....                        | 2-5                |
| 2.3.1 Changing File System Properties.....   | 2-5                |
| ✓ <b>Syllabus Topic :</b> Checking the File System Integrity.....                      | 2-6                |
| 2.3.2 Checking the File System Integrity.....  | 2-6                |
| ✓ <b>Syllabus Topic :</b> Mounting File Systems Automatically through fstab .....      | 2-7                |
| 2.4 Mounting File Systems Automatically through fstab.....                             | 2-7                |
| 2.5 Working with NFS .....   | 2-8                |
| 2.5.1 Mounting NFS Partitions .....  | 2-8                |
| 2.6 Managing Quotas .....  | 2-9                |
| 2.6.1 Configuring Quota Settings .....   | 2-9                |
| 2.6.2 Command-Line Options of edquota.....   | 2-10               |
| 2.6.3 Managing Quotas .....  | 2-10               |
| ✓ <b>Syllabus Topic :</b> Working with Logical Volumes, Creating Logical Volumes ..... | 2-11               |
| 2.7 Working with Logical Volumes.....  | 2-11               |
| 2.7.1 Creating Logical Volumes .....   | 2-11               |
| ✓ <b>Syllabus Topic :</b> Resizing Logical Volumes .....                               | 2-12               |
| 2.7.2 Resizing Logical Volumes .....   | 2-12               |
| ✓ <b>Syllabus Topic :</b> Working with Snapshots .....                                 | 2-13               |
| 2.7.3 Working with Snapshots .....   | 2-13               |
| ✓ <b>Syllabus Topic :</b> Replacing Failing Storage Devices .....                      | 2-13               |
| 2.7.4 Replacing Failing Storage Devices.....   | 2-13               |

|        |  |      |
|--------|--|------|
| ✓      | <b>Syllabus Topic :</b> Creating Swap Space.....                               | 2-14 |
| 2.7.5  | Creating Swap Space .....  | 2-14 |
| ✓      | <b>Syllabus Topic :</b> Working with Encrypted Volumes.....                    | 2-14 |
| 2.7.6  | Working with Encrypted Volumes .....   | 2-14 |
| ✓      | <b>Syllabus Topic :</b> Understanding NetworkManager .....                     | 2-15 |
| 2.8    | Understanding NetworkManager.....  | 2-15 |
| ✓      | <b>Syllabus Topic :</b> Working with Services and Runlevels .....              | 2-15 |
| 2.8.1  | Working with Services and Runlevels.....                                       | 2-15 |
| ✓      | <b>Syllabus Topic :</b> Configuring the Network with NetworkManager .....      | 2-16 |
| 2.8.2  | Configuring the Network with NetworkManager.....                               | 2-16 |
| 2.8.3  | Working with system-config-network .....                                       | 2-17 |
| ✓      | <b>Syllabus Topic :</b> Understanding NetworkManager Configuration Files ..... | 2-17 |
| 2.8.4  | Understanding NetworkManager Configuration Files .....                         | 2-17 |
| ✓      | <b>Syllabus Topic :</b> Understanding Network Service Scripts .....            | 2-19 |
| 2.8.5  | Understanding Network Service Scripts.....                                     | 2-19 |
| ✓      | <b>Syllabus Topic :</b> Configuring Networking from the Command Line.....      | 2-19 |
| 2.8.6  | Configuring Networking from the Command Line .....                             | 2-19 |
| ✓      | <b>Syllabus Topic :</b> Troubleshooting Networking .....                       | 2-21 |
| 2.9    | Troubleshooting Networking .....   | 2-21 |
| 2.9.1  | Checking the Network Card.....   | 2-21 |
| 2.9.2  | Checking Routing .....   | 2-22 |
| ✓      | <b>Syllabus Topic :</b> Setting up IPv6 .....                                  | 2-23 |
| 2.10   | Setting up IPv6.....   | 2-23 |
| ✓      | <b>Syllabus Topic :</b> Configuring SSH (Secured SHell) .....                  | 2-23 |
| 2.10.1 | Configuring SSH (Secured SHell) .....  | 2-23 |
| 2.10.2 | Enabling the SSH Server .....  | 2-24 |
| ✓      | <b>Syllabus Topic :</b> Using the SSH Client .....                             | 2-25 |
| 2.10.3 | Using the SSH Client.....  | 2-25 |
| ✓      | <b>Syllabus Topic :</b> Using PuTTY on Windows Machines .....                  | 2-26 |
| 2.10.4 | Using PuTTY on Windows Machines .....  | 2-26 |
| ✓      | <b>Syllabus Topic :</b> Configuring Key-Based SSH Authentication .....         | 2-26 |
| 2.10.5 | Configuring Key-Based SSH Authentication .....                                 | 2-26 |
| ✓      | <b>Syllabus Topic :</b> Using Graphical Applications with SSH.....             | 2-28 |
| 2.10.6 | Using Graphical Applications with SSH .....                                    | 2-28 |

|        |   |      |
|--------|---|------|
| ✓      | <b>Syllabus Topic :</b> Using SSH Port Forwarding.....  | 2-28 |
| 2.10.7 | Using SSH Port Forwarding .....   | 2-28 |
| ✓      | <b>Syllabus Topic :</b> Configuring VNC Server Access .....   | 2-28 |
| 2.10.8 | Configuring VNC (Virtual Network Computing) Server Access.....  | 2-28 |
| ✓      | <b>Syllabus Topic :</b> Managing Users and Groups .....   | 2-29 |
| 2.11   | Managing Users and Groups.....  | 2-29 |
| ✓      | <b>Syllabus Topic :</b> Commands for user Management .....  | 2-29 |
| 2.11.1 | Commands for user Management .....  | 2-29 |
| 2.11.2 | Group Membership .....  | 2-30 |
| ✓      | <b>Syllabus Topic :</b> Managing Passwords.....   | 2-31 |
| 2.12   | Managing Passwords .....  | 2-31 |
| 2.12.1 | Performing Account Maintenance with passwd .....  | 2-32 |
| 2.12.2 | Managing Password Expiry .....  | 2-32 |
| ✓      | <b>Syllabus Topic :</b> Modifying and Deleting user Accounts .....  | 2-33 |
| 2.13   | Modifying and Deleting user Accounts .....  | 2-33 |
| ✓      | <b>Syllabus Topic :</b> Configuration Files.....  | 2-35 |
| 2.13.1 | Configuration Files .....   | 2-35 |
| ✓      | <b>Syllabus Topic :</b> Creating Groups .....   | 2-37 |
| 2.14   | Creating Groups .....   | 2-37 |
| 2.14.1 | Commands for Group Management.....  | 2-37 |
| 2.14.2 | Managing Group Membership.....  | 2-38 |
| ✓      | <b>Syllabus Topic :</b> Using Graphical Tools for user and Group Management .....                         | 2-38 |
| 2.15   | Using Graphical Tools for user and Group Management.....  | 2-38 |
| ✓      | <b>Syllabus Topic :</b> Using External Authentication Sources .....                                       | 2-38 |
| 2.16   | Using External Authentication Sources .....   | 2-38 |
| 2.17   | Connecting to an LDAP Server .....  | 2-39 |
| 2.18   | Connecting to an Active Directory Server.....   | 2-40 |
| ✓      | <b>Syllabus Topic :</b> Authentication Process, sssd, nsswitch, pluggable<br>Authentication Modules ..... | 2-41 |
| 2.19   | Authentication Process.....   | 2-41 |
| 2.19.1 | Understanding sssd (System Security Service Daemon).....  | 2-41 |
| 2.19.2 | Understanding nsswitch (Name Service Switch).....   | 2-42 |
| 2.19.3 | Understanding PAM (Pluggable Authentication Modules).....   | 2-42 |

---

|        |   |      |
|--------|---|------|
| ✓      | <b>Syllabus Topic :</b> Managing Permissions, the Rule of Ownership .....                         | 2-42 |
| 2.20   | Managing Permissions .....  | 2-42 |
| 2.20.1 | Role of Ownership .....   | 2-43 |
| 2.20.2 | Displaying Ownership .....  | 2-43 |
| 2.20.3 | Changing User Ownership .....   | 2-43 |
| 2.20.4 | Changing Group Ownership .....  | 2-43 |
| 2.20.5 | Default Ownership .....   | 2-44 |
| ✓      | <b>Syllabus Topic :</b> Basic Permissions : Read, Write, and Execute.....                         | 2-44 |
| 2.21   | Basic Permissions: Read, Write, and Execute .....   | 2-44 |
| 2.21.1 | Understanding Read, Write, and Execute Permissions.....   | 2-44 |
| 2.21.2 | Applying Read, Write, and Execute Permissions .....   | 2-45 |
| ✓      | <b>Syllabus Topic :</b> Advanced Permissions .....  | 2-46 |
| 2.22   | Advanced Permissions .....  | 2-46 |
| 2.22.1 | Understanding Advanced Permissions .....  | 2-46 |
| 2.22.2 | Applying Advanced Permissions.....  | 2-47 |
| ✓      | <b>Syllabus Topic :</b> Working with Access Control Lists .....                                   | 2-48 |
| 2.23   | Working with Access Control Lists.....  | 2-48 |
| 2.23.1 | Understanding ACLs .....  | 2-48 |
| 2.23.2 | Preparing Your File System for ACLs.....  | 2-48 |
| 2.23.3 | Changing and Viewing ACL Settings with setfacl (set file ACL)<br>and getfacl (get file ACL) ..... | 2-48 |
| 2.23.4 | Working with Default ACLs.....  | 2-49 |
| ✓      | <b>Syllabus Topic :</b> Setting Default Permissions with umask.....                               | 2-49 |
| 2.24   | Setting Default Permissions with umask .....  | 2-49 |
| ✓      | <b>Syllabus Topic :</b> Working with Attributes .....   | 2-50 |
| 2.25   | Working with Attributes .....   | 2-50 |

**UNIT - III**

---

|       |   |                    |
|-------|---|--------------------|
| ➤     | <b>Chapter 3 : Securing Server with Iptables</b>      | <b>3-1 to 3-46</b> |
| ✓     | <b>Syllabus Topic :</b> Understanding Firewalls ..... | 3-1                |
| 3.1   | Understanding Firewalls .....                         | 3-1                |
| 3.1.1 | Capabilities of Firewall.....                         | 3-2                |
| 3.1.2 | Types of Firewall .....                               | 3-3                |

|       |   |      |
|-------|---|------|
| ✓     | <b>Syllabus Topic :</b> Setting up a Firewall with System-config-firewall ..... | 3-4  |
| 3.1.3 | Setting up a Firewall with System-config-firewall.....                          | 3-4  |
| ✓     | <b>Syllabus Topic :</b> Allowing Services .....                                 | 3-5  |
| 3.1.4 | Allowing Services .....   | 3-5  |
| ✓     | <b>Syllabus Topic :</b> Trusted Interfaces .....                                | 3-5  |
| 3.1.5 | Trusted Interfaces.....   | 3-5  |
| ✓     | <b>Syllabus Topic :</b> Masquerading .....                                      | 3-6  |
| 3.1.6 | Masquerading.....   | 3-6  |
| ✓     | <b>Syllabus Topic :</b> Configuration Files.....                                | 3-7  |
| 3.1.7 | Configuration Files .....   | 3-7  |
| 3.1.8 | Configuring IP Masquerading.....  | 3-7  |
| ✓     | <b>Syllabus Topic :</b> Setting up a Firewall with iptables .....               | 3-8  |
| 3.1.9 | Setting up a Firewall with iptables.....  | 3-8  |
| ✓     | <b>Syllabus Topic :</b> Tables, Chains, and Rules .....                         | 3-8  |
| 3.2   | Tables, Chains, and Rules .....   | 3-8  |
| 3.2.1 | Chains.....   | 3-9  |
| ✓     | <b>Syllabus Topic :</b> Composition of Rule .....                               | 3-11 |
| 3.2.2 | Composition of Rule .....   | 3-11 |
| ✓     | <b>Syllabus Topic :</b> Configuration Example .....                             | 3-12 |
| 3.2.3 | Configuration Example.....  | 3-12 |
| ✓     | <b>Syllabus Topic :</b> Advanced iptables Configuration.....                    | 3-13 |
| 3.3   | Advanced iptables Configuration .....   | 3-13 |
| 3.3.1 | Iptables Options .....  | 3-13 |
| ✓     | <b>Syllabus Topic :</b> Configuring Logging.....                                | 3-18 |
| 3.3.2 | Configuring Logging .....   | 3-18 |
| ✓     | <b>Syllabus Topic :</b> The Limit Module .....                                  | 3-18 |
| 3.3.3 | The Limit Module .....  | 3-18 |
| ✓     | <b>Syllabus Topic :</b> Configuring NAT .....                                   | 3-19 |
| 3.3.4 | Configuring NAT.....  | 3-19 |
| 3.4   | Setting Up Cryptographic Services.....  | 3-21 |
| ✓     | <b>Syllabus Topic :</b> Introducing SSL .....                                   | 3-21 |
| 3.4.1 | Introducing SSL.....  | 3-21 |
| ✓     | <b>Syllabus Topic :</b> Proof of Authenticity : the Certificate Authority ..... | 3-23 |
| 3.4.2 | Proof of Authenticity : the Certificate Authority .....                         | 3-23 |

|         |  |      |
|---------|--|------|
| 3.4.2.1 | The Trusted Root .....   | 3-23 |
| 3.4.2.2 | Running Your Own CA .....  | 3-23 |
| ✓       | <b>Syllabus Topic :</b> Managing Certificates with openssl .....   | 3-24 |
| 3.4.3   | Managing Certificates with openssl.....                            | 3-24 |
| 3.4.3.1 | Creating a Self-Signed Certificate .....                           | 3-24 |
| ✓       | <b>Syllabus Topic :</b> Creating a Signing Request .....           | 3-25 |
| 3.4.4   | Creating a Signing Request.....                                    | 3-25 |
| ✓       | <b>Syllabus Topic :</b> Working with GNU Privacy Guard (GPG) ..... | 3-25 |
| 3.4.5   | Working with GNU Privacy Guard (GPG).....                          | 3-25 |
| ✓       | <b>Syllabus Topic :</b> Creating GPG Keys .....                    | 3-25 |
| 3.4.5.1 | Creating GPG Keys.....   | 3-25 |
| ✓       | <b>Syllabus Topic :</b> Key Transfer.....                          | 3-26 |
| 3.4.5.2 | Key Transfer .....   | 3-26 |
| ✓       | <b>Syllabus Topic :</b> Managing GPG Keys .....                    | 3-26 |
| 3.4.6   | Managing GPG Keys.....   | 3-26 |
| ✓       | <b>Syllabus Topic :</b> Encrypting Files with GPG .....            | 3-27 |
| 3.4.7   | Encrypting Files with GPG.....                                     | 3-27 |
| 3.4.7.1 | Encrypting and Decrypting Files .....                              | 3-27 |
| ✓       | <b>Syllabus Topic :</b> GPG Signing.....                           | 3-28 |
| 3.4.8   | GPG Signing .....  | 3-28 |
| ✓       | <b>Syllabus Topic :</b> Signing RPM Files .....                    | 3-28 |
| 3.4.9   | Signing RPM Files .....  | 3-28 |
| 3.4.9.1 | Signing RPM Packages with GPG Keys .....                           | 3-29 |
| ✓       | <b>Syllabus Topic :</b> What is NFS ?.....                         | 3-30 |
| 3.5     | NFS Overview .....   | 3-30 |
| 3.5.1   | Working of NFS.....  | 3-30 |
| ✓       | <b>Syllabus Topic :</b> Advantages and Disadvantages of NFS .....  | 3-31 |
| 3.5.2   | NFS Advantages and Disadvantages .....                             | 3-31 |
| ✓       | <b>Syllabus Topic :</b> Configuring NFSv4 .....                    | 3-32 |
| 3.5.3   | Configuring NFSv4.....   | 3-32 |
| ✓       | <b>Syllabus Topic :</b> Setting up NFSv4 .....                     | 3-32 |
| 3.5.4   | Setting up NFSv4.....  | 3-32 |
| ✓       | <b>Syllabus Topic :</b> Mounting an NFS Share.....                 | 3-34 |
| 3.5.5   | Mounting an NFS Share.....   | 3-34 |

---

|       |   |      |
|-------|---|------|
| ✓     | <b>Syllabus Topic :</b> Making NFS Mounts Persistent .....          | 3-36 |
| 3.5.6 | Making NFS Mounts Persistent.....                                   | 3-36 |
| ✓     | <b>Syllabus Topic :</b> Configuring Automount .....                 | 3-37 |
| 3.5.7 | Configuring Automount.....  | 3-37 |
| ✓     | <b>Syllabus Topic :</b> Configuring Samba.....                      | 3-38 |
| 3.6   | Configuring Samba .....   | 3-38 |
| ✓     | <b>Syllabus Topic :</b> Setting Up Samba File Server .....          | 3-41 |
| 3.6.1 | Setting Up Samba File Server.....                                   | 3-41 |
| ✓     | <b>Syllabus Topic :</b> Samba Advanced Authentication Options ..... | 3-43 |
| 3.6.2 | Samba Advanced Authentication Options .....                         | 3-43 |
| ✓     | <b>Syllabus Topic :</b> Accessing Samba Shares.....                 | 3-44 |
| 3.6.3 | Accessing Samba Shares.....   | 3-44 |
| ✓     | <b>Syllabus Topic :</b> Offering FTP Services.....                  | 3-44 |
| 3.6.4 | Offering FTP Services .....   | 3-44 |

|       |   |             |
|-------|---|-------------|
| ➤     | <b>Chapter 4 : Configuring DNS and DHCP</b>                       | 4-1 to 4-28 |
| ✓     | <b>Syllabus Topic :</b> Introduction to DNS .....                 | 4-1         |
| 4.1   | Introduction to DNS.....  | 4-1         |
| ✓     | <b>Syllabus Topic :</b> The DNS Hierarchy.....                    | 4-2         |
| 4.1.1 | The DNS Hierarchy .....   | 4-2         |
| ✓     | <b>Syllabus Topic :</b> DNS Server Types.....                     | 4-4         |
| 4.1.2 | DNS Server Types .....  | 4-4         |
| ✓     | <b>Syllabus Topic :</b> The DNS Lookup Process .....              | 4-5         |
| 4.1.3 | The DNS Lookup Process.....                                       | 4-5         |
| ✓     | <b>Syllabus Topic :</b> DNS Zone Types .....                      | 4-5         |
| 4.1.4 | DNS Zone Types.....   | 4-5         |
| ✓     | <b>Syllabus Topic :</b> Setting up a DNS Server .....             | 4-6         |
| 4.1.5 | Setting up a DNS Server .....                                     | 4-6         |
| ✓     | <b>Syllabus Topic :</b> Setting up a Cache-Only Name Server ..... | 4-6         |
| 4.1.6 | Setting up a Cache-Only Name Server .....                         | 4-6         |
| ✓     | <b>Syllabus Topic :</b> Setting up a Primary Name Server.....     | 4-7         |
| 4.1.7 | Setting up a Primary Name Server.....                             | 4-7         |

|        |  |      |
|--------|--|------|
| ✓      | <b>Syllabus Topic :</b> Setting up a Secondary Name Server.....            | 4-8  |
| 4.1.8  | Setting up a Secondary Name Server.....                                    | 4-8  |
| ✓      | <b>Syllabus Topic :</b> Understanding DHCP.....                            | 4-8  |
| 4.1.9  | Understanding DHCP .....   | 4-8  |
| ✓      | <b>Syllabus Topic :</b> Setting Up a DHCP Server.....                      | 4-9  |
| 4.1.10 | Setting Up a DHCP Server .....   | 4-9  |
| 4.2    | Setting up a Mail Server .....   | 4-11 |
| ✓      | <b>Syllabus Topic :</b> Using the Message Transfer Agent .....             | 4-11 |
| 4.2.1  | Using the Message Transfer Agent.....                                      | 4-11 |
| ✓      | <b>Syllabus Topic :</b> Understanding the Mail Delivery Agent .....        | 4-12 |
| 4.2.2  | Understanding the Mail Delivery Agent.....                                 | 4-12 |
| ✓      | <b>Syllabus Topic :</b> Understanding the Mail User Agent.....             | 4-13 |
| 4.2.3  | Understanding the Mail User Agent .....                                    | 4-13 |
| ✓      | <b>Syllabus Topic :</b> Setting up Postfix as an SMTP Server .....         | 4-13 |
| 4.3    | Setting up Postfix as an SMTP Server.....                                  | 4-13 |
| ✓      | <b>Syllabus Topic :</b> Working with Mutt.....                             | 4-14 |
| 4.4    | Working with Mutt .....  | 4-14 |
| 4.5    | Basic Configuration .....  | 4-15 |
| ✓      | <b>Syllabus Topic :</b> Internet Configuration .....                       | 4-15 |
| 4.6    | Internet Configuration.....  | 4-15 |
| ✓      | <b>Syllabus Topic :</b> Configuring Dovecot for POP and IMAP .....         | 4-17 |
| 4.7    | Configuring Dovecot for POP and IMAP.....                                  | 4-17 |
| ✓      | <b>Syllabus Topic :</b> Configuring the Apache Web Server .....            | 4-18 |
| 4.8    | Configuring the Apache Web Server.....                                     | 4-18 |
| ✓      | <b>Syllabus Topic :</b> Creating a Basic Website .....                     | 4-19 |
| 4.9    | Creating a Basic Website .....   | 4-19 |
| ✓      | <b>Syllabus Topic :</b> Understanding the Apache Configuration Files ..... | 4-19 |
| 4.10   | Understanding the Apache Configuration Files.....                          | 4-19 |
| 4.10.1 | Generic Parameters .....   | 4-20 |
| 4.10.2 | Apache Mode .....  | 4-20 |
| 4.10.3 | Modules.....   | 4-22 |
| 4.10.4 | Setting up Directory Options .....   | 4-22 |
| 4.10.5 | Handling Basic Directory Restrictions .....                                | 4-23 |

---

|      |   |      |
|------|---|------|
| ✓    | <b>Syllabus Topic :</b> Apache Log Files.....                               | 4-23 |
| 4.11 | Apache Log Files .....  | 4-23 |
| ✓    | <b>Syllabus Topic :</b> Working with Virtual Hosts .....                    | 4-23 |
| 4.12 | Working with Virtual Hosts.....   | 4-23 |
| ✓    | <b>Syllabus Topic :</b> Securing the Web Server with TLS Certificates ..... | 4-24 |
| 4.13 | Securing the Web Server with TLS Certificates.....                          | 4-24 |
| ✓    | <b>Syllabus Topic :</b> Configuring Authentication.....                     | 4-25 |
| 4.14 | Configuring Authentication .....  | 4-25 |
| ✓    | <b>Syllabus Topic :</b> Setting Up Authentication with .htpasswd.....       | 4-25 |
| 4.15 | Setting Up Authentication with .htpasswd.....                               | 4-25 |
| ✓    | <b>Syllabus Topic :</b> Configuring LDAP Authentication .....               | 4-26 |
| 4.16 | Configuring LDAP Authentication.....  | 4-26 |
| ✓    | <b>Syllabus Topic :</b> Setting Up MySQL.....                               | 4-27 |
| 4.17 | Setting Up MySQL .....  | 4-27 |

| ✓       | <b>Syllabus Topic :</b> Introduction .....                       | 5-1 |
| 5.1     | Introduction .....   | 5-1 |
| 5.1.1   | Elements of a Good Shell Script.....                             | 5-2 |
| ✓       | <b>Syllabus Topic :</b> Executing the Script .....               | 5-3 |
| 5.1.2   | Executing the Script.....  | 5-3 |
| ✓       | <b>Syllabus Topic :</b> Working with Variables and Input .....   | 5-4 |
| 5.1.3   | Working with Variables and Input.....                            | 5-4 |
| ✓       | <b>Syllabus Topic :</b> Understanding Variables .....            | 5-5 |
| 5.1.3.1 | Understanding Variables.....                                     | 5-5 |
| ✓       | <b>Syllabus Topic :</b> Variables, Sub-shells, and Sourcing..... | 5-5 |
| 5.1.3.2 | Variables, Sub-shells, and Sourcing .....                        | 5-5 |
| ✓       | <b>Syllabus Topic :</b> Working with Script Arguments .....      | 5-6 |
| 5.1.4   | Working with Script Arguments .....                              | 5-6 |

|         |   |      |
|---------|---|------|
| 5.1.4.1 | Using Script Arguments.....   | 5-6  |
| 5.1.4.2 | Counting the Number of Script Arguments .....                                 | 5-6  |
| 5.1.4.3 | Referring to All Script Arguments.....  | 5-6  |
| ✓       | <b>Syllabus Topic :</b> Asking for Input .....                                | 5-7  |
| 5.1.5   | Asking for Input.....   | 5-7  |
| ✓       | <b>Syllabus Topic :</b> Using Command Substitution .....                      | 5-8  |
| 5.1.6   | Using Command Substitution .....  | 5-8  |
| ✓       | <b>Syllabus Topic :</b> Substitution Operators.....                           | 5-9  |
| 5.1.7   | Substitution Operators .....  | 5-9  |
| ✓       | <b>Syllabus Topic :</b> Changing Variable Content with Pattern Matching ..... | 5-9  |
| 5.1.8   | Changing Variable Content with Pattern Matching.....                          | 5-9  |
| ✓       | <b>Syllabus Topic :</b> Performing Calculations.....                          | 5-10 |
| 5.2     | Performing Calculations .....   | 5-10 |
| ✓       | <b>Syllabus Topic :</b> Using Control Structures .....                        | 5-12 |
| 5.2.1   | Using Control Structures.....   | 5-12 |
| ✓       | <b>Syllabus Topic :</b> Using if...then...else .....                          | 5-14 |
| 5.2.2   | Using if...then...else .....  | 5-14 |
| ✓       | <b>Syllabus Topic :</b> Using Case.....                                       | 5-16 |
| 5.2.3   | Using Case .....  | 5-16 |
| ✓       | <b>Syllabus Topic :</b> Using while.....                                      | 5-17 |
| 5.2.4   | Using while .....   | 5-17 |
| ✓       | <b>Syllabus Topic :</b> Using until .....                                     | 5-18 |
| 5.2.5   | Using until.....  | 5-18 |
| ✓       | <b>Syllabus Topic :</b> Using for.....  | 5-19 |
| 5.2.6   | Using for .....   | 5-19 |
| ✓       | <b>Syllabus Topic :</b> Configuring Booting with GRUB .....                   | 5-20 |
| 5.2.7   | Configuring Booting with GRUB .....   | 5-20 |
| 5.2.7.1 | Understanding the grub.conf Configuration File .....                          | 5-20 |
| 5.2.7.2 | Changing Boot Options.....  | 5-22 |
| 5.2.7.3 | Using the GRUB Command Line .....   | 5-23 |

|         |  |      |
|---------|--|------|
| 5.2.7.4 | Reinstalling GRUB .....  | 5-24 |
| 5.3     | High-availability Clustering.....  | 5-24 |
| ✓       | <b>Syllabus Topic :</b> Understanding High-Availability Clustering .....           | 5-24 |
| 5.3.1   | Understanding High-Availability Clustering.....                                    | 5-24 |
| ✓       | <b>Syllabus Topic :</b> The Workings of High Availability .....                    | 5-25 |
| 5.3.2   | The Workings of High Availability .....  | 5-25 |
| ✓       | <b>Syllabus Topic :</b> High-Availability Requirements .....                       | 5-25 |
| 5.3.3   | High-Availability Requirements.....  | 5-25 |
| 5.3.3.1 | Multiple Nodes.....  | 5-26 |
| 5.3.3.2 | Fence Devices .....  | 5-26 |
| 5.3.3.3 | Ethernet Bonding .....   | 5-27 |
| 5.3.3.4 | Shared Storage .....   | 5-27 |
| ✓       | <b>Syllabus Topic :</b> Red Hat High-Availability Add-on Software Components ..... | 5-29 |
| 5.3.4   | Red Hat High-Availability Add-on Software Components .....                         | 5-29 |
| ✓       | <b>Syllabus Topic :</b> Configuring Cluster-Based Services .....                   | 5-30 |
| 5.3.5   | Configuring Cluster-Based Services.....  | 5-30 |
| ✓       | <b>Syllabus Topic :</b> Setting up Bonding.....                                    | 5-30 |
| 5.3.5.1 | Setting up Bonding .....   | 5-30 |
| ✓       | <b>Syllabus Topic :</b> Setting up Shared Storage .....                            | 5-30 |
| 5.3.5.2 | Setting up Shared Storage.....   | 5-30 |
| ✓       | <b>Syllabus Topic :</b> Installing the Red Hat High Availability Add-on .....      | 5-33 |
| 5.4     | Installing the Red Hat High Availability Add-on .....                              | 5-33 |
| ✓       | <b>Syllabus Topic :</b> Building the Initial State of the Cluster.....             | 5-33 |
| 5.4.1   | Building the Initial State of the Cluster .....                                    | 5-33 |
| ✓       | <b>Syllabus Topic :</b> Configuring Additional Cluster Properties .....            | 5-34 |
| 5.4.2   | Configuring Additional Cluster Properties .....                                    | 5-34 |
| ✓       | <b>Syllabus Topic :</b> Configuring a Quorum Disk.....                             | 5-35 |
| 5.4.3   | Configuring a Quorum Disk .....  | 5-35 |
| 5.4.4   | Setting up Fencing .....   | 5-36 |
| ✓       | <b>Syllabus Topic :</b> Creating Resources and Services .....                      | 5-36 |
| 5.4.5   | Creating Resources and Services .....  | 5-36 |

|         |   |                     |
|---------|---|---------------------|
| ✓       | <b>Syllabus Topic :</b> Troubleshooting a Non-operational Cluster .....   | 5-38                |
| 5.4.6   | Troubleshooting a Non-operational Cluster.....  | 5-38                |
| ✓       | <b>Syllabus Topic :</b> Configuring GFS2 File Systems.....  | 5-39                |
| 5.4.7   | Configuring GFS2 File Systems .....   | 5-39                |
| 5.5     | Setting up an Installation Server.....  | 5-39                |
| ✓       | <b>Syllabus Topic :</b> Configuring a Network as an Installation Server.....  | 5-40                |
| 5.5.1   | Configuring a Network as an Installation Server.....  | 5-40                |
| ✓       | <b>Syllabus Topic :</b> Setting up a TFTP (Trivial FTP) and DHCP Server for PXE (Preboot Execution Environment) Boot..... | 5-40                |
| 5.5.2   | Setting up a TFTP (Trivial FTP) and DHCP Server for PXE (Preboot Execution Environment) Boot.....                         | 5-40                |
| ✓       | <b>Syllabus Topic :</b> Installing the TFTP Server .....  | 5-40                |
| 5.5.3   | Installing the TFTP Server.....   | 5-40                |
| ✓       | <b>Syllabus Topic :</b> Configuring DHCP for PXE Boot .....   | 5-41                |
| 5.5.4   | Configuring DHCP for PXE boot .....   | 5-41                |
| ✓       | <b>Syllabus Topic :</b> Creating the TFTP PXE Server Content.....   | 5-41                |
| 5.5.5   | Creating the TFTP PXE Server Content .....  | 5-41                |
| ✓       | <b>Syllabus Topic :</b> Creating a Kickstart File.....  | 5-42                |
| 5.5.6   | Creating a Kickstart File .....   | 5-42                |
| ✓       | <b>Syllabus Topic :</b> Using a Kickstart File to Perform an Automated Installation.....                                  | 5-43                |
| 5.5.6.1 | Using a Kickstart File to Perform an Automated Installation .....   | 5-43                |
| ✓       | <b>Syllabus Topic :</b> Modifying the Kickstart File with System-config-kickstart .....                                   | 5-43                |
| 5.5.6.2 | Modifying the Kickstart File with System-config-kickstart .....   | 5-43                |
| ✓       | <b>Syllabus Topic :</b> Making Manual Modification to Kickstart File .....  | 5-44                |
| 5.5.6.3 | Making Manual Modification to Kickstart File .....  | 5-44                |
| •       | <b>Model Question Paper .....</b>   | <b>M-1 to M-2</b>   |
| •       | <b>Lab Manual .....</b>   | <b>L-1 to L-130</b> |
| •       | <b>Appendix-A : Solved University Question Papers of Oct. 2018 and May 2019 .....</b>                                     | <b>A-1 to A-12</b>  |
| •       | <b>University Questions Papers .....</b>  | <b>Q-1 to Q-4</b>   |

## Lab Index

| Statement        | Name of the Program   | Page Nos.           |
|------------------|---|---------------------|
|                  | <b>L.1 Installation of RHEL 6.X</b>                                       | <b>L-1 to L-18</b>  |
| <b>Program 1</b> | <b>Graphical User Interface and Command Line Interface and Processes.</b> |                     |
| (a)              | Exploring the Graphical Desktop   |                     |
| (b)              | The Command Line Interface  |                     |
| (c)              | Managing Processes  |                     |
|                  | <b>L.2 Storage Devices and Links, Backup and Repository</b>               | <b>L-21 to L-35</b> |
| <b>Program 2</b> | <b>Storage Devices and Links, Backup and Repository</b>                   |                     |
| (a)              | Working with Storage Devices and Links                                    |                     |
| (b)              | Making a Backup   |                     |
| (c)              | Creating a Repository   |                     |
|                  | <b>L.3 Working with Rpm's Storage and Networking</b>                      | <b>L-35 to L-49</b> |
| <b>Program 3</b> | <b>Working with RPMs Storage and Networking</b>                           |                     |
| (a)              | Using Query Options   |                     |
| (b)              | Extracting Files From RPMs  |                     |
| (c)              | Configuring and Managing Storage  |                     |
| (d)              | Connecting to the Network   |                     |
|                  | <b>L.4 Working with Users, Groups, and Permissions</b>                    | <b>L-49 to L-56</b> |
|                  |   |                     |

| Statement        | Name of the Program   | Page Nos.             |
|------------------|---|-----------------------|
|                  | <b>L.5 Firewall and Cryptographic Services</b>                | <b>L-56 to L-58</b>   |
| <b>Program 5</b> | <b>Firewall and Cryptographic services</b>                    |                       |
| (a)              | Securing Server with iptables                                 |                       |
| (b)              | Setting Up Cryptographic Services                             |                       |
|                  | <b>L.6 Configuring Server for File Sharing</b>                | <b>L-59 to L-63</b>   |
| <b>Program 6</b> | <b>Configuring Server for File Sharing</b>                    |                       |
| (a)              | Configuring NFS Server and Client                             |                       |
| (b)              | Configuring Samba   |                       |
| (c)              | Configuring FTP   |                       |
|                  | <b>L.7 DNS, DHPC and Mail Server</b>                          | <b>L-63 to L-95</b>   |
| <b>Program 7</b> | <b>DNS, DHPC and Mail Server</b>                              |                       |
| (a)              | Configuring DNS   |                       |
| (b)              | Configuring DHCP  |                       |
| (c)              | Setting Up a Mail Server                                      |                       |
|                  | <b>L.8 Web Server</b>   | <b>L-96 to L-115</b>  |
| <b>Program 8</b> | <b>Web server</b>   |                       |
| (a)              | Configuring apache on red hat enterprise linux                |                       |
| (b)              | Writing a script to monitor activity on the Apache web server |                       |
| (c)              | Using the select command                                      |                       |
|                  | <b>L.9 Shell Scripts and Flight-Availability Clustering</b>   | <b>L-115 to L-126</b> |
| <b>Program 9</b> | <b>Shell scripts and Flight-Availability Clustering</b>       |                       |
| (a)              | Writing shell scripts   |                       |

| Statement         | Name of the Program                                  | Page Nos.             |
|-------------------|--|-----------------------|
| (b)               | Configuring booting will GRUB                        |                       |
| (c)               | Configuring high availability Clustering             |                       |
|                   | <b>L.10 Setting Up An Installation Server</b>        | <b>L-126 to L-130</b> |
| <b>Program 10</b> | <b>Setting Up An Installation Server</b>             |                       |
| (a)               | Configuring booting server as an installation server |                       |
| (b)               | Setting up a TFTP and DHCP server for PXE boot       |                       |
